

# Cardboard Home

## Equipment

- Large cardboard box (the bigger the better!), pens and pencils

## Set up

- Place the cardboard box on its side

## Instructions

- Think about your home, the place you live in. What do you like about it? Is it warm? Is it comfy? Does it feel safe?
- Crawl inside the cardboard box, as much as you can. How would it feel if this box was your home, on the streets?
- You may like to write or draw your hopes or prayers onto the cardboard box for people who have no homes.
