

GenR8 is a Christian charity that has been working alongside churches and primary schools since 2001. GenR8 now has volunteer teams reaching over 40,000 primary school aged children every term with fun assembly presentations and many other activities that enable children to engage with the Christian faith.

Alongside these GenR8 also offers support, advice and training to those involved in children's work in churches. Working in partnership with the local church is something that is very important to us.

GenR8's vision is to establish a strong and sustainable children's ministry in both churches and primary schools. Key to achieving this is the enabling and equipping of volunteers to communicate Christian beliefs and values.

Exciting opportunities to volunteer with GenR8 include:

- ☆ Assembly presentations
- ☆ Inspire Prayer Spaces
- ☆ Xcellr8 weekend for 8-11 year olds
- ☆ It's Your Move - Year 6 to 7 transition
- ☆ Cool Choices - helping Year 6 students make positive life choices
- ☆ Booking schools - admin role

What GenR8 volunteers say:

"How good it is to tell people about Jesus!"

"It is one of the most worthwhile things I have ever done."

"I really, really enjoyed the assembly tour."

"I have been part of Xcellr8 for a few years and I look forward to it as much as the children!"

"Whatever your age or ability there is a place for you."
