

Are you a Christian in Year 11 or Year 13?

Are you free during the week beginning 8 July?

Why not join the It's Your Move team in a fun initiative taking interactive workshops to support Year 6 pupils in their transition to secondary school?

When?

Monday 8 - Friday 12 July 2024
(there is flexibility if you can't make all 5 days)

Two preparation days beforehand
Monday 1 July and Thursday 4 July

What?

Provide reassurance and encouragement, share your own experiences, and answer questions, to help the students prepare for their transition up to Year 7, all as part of a supportive team. This will also be a valuable addition to your CV!

'Everyone in the team was so encouraging and working together made me more sure of myself. The experience helped me realise that when you know you are helping others, it takes away from your own fears.' EC IYM team member

A volunteer shares her experience of IYM...
